

Manor Beach Primary Newsletter

18 June 2021

Message from Miss Mason

I can't quite believe we have under 5 weeks left of this academic year! What a year it has been... There's so much to celebrate and we have some great end of year events planned, however, with the spike in infections in our area and the delay in the Government road map, we've been issued with stricter guidance. Our celebrations will still go ahead, it just means it is unlikely that we will be in a position to invite any parents to join the festivities. A polite reminder, that every adult coming on the school grounds that isn't medically exempt, must wear a mask and keep a safe 2 metre distance from others.

Oz

This half term Oz class are looking at Classic Narrative Poems with the focus on the 1829 poem 'The Spider and the Fly.' Unfortunately for the fly, it doesn't end 'happily ever after!'

In Geography, we are looking at how we can live more sustainably. We will be identifying, describing and explaining the differences between renewable and non-renewable resources and drawing up an action plan of how we can help school become more sustainable.

We are also practicing our tennis skills on a Monday in PE. We will be developing our forehand and backhand strokes and working on our footwork and technique. Another busy half term!

Middle Earth

This week we have been revisiting our topic on Mountains and creating information leaflets about different types of mountains across the world.

We have been looking at journalistic writing and creating newspaper reports based on the Giant's necklace by Michael Morpurgo.

Hogwarts & Camelot

We have begun to learn about the Ancient Egyptians and how their civilisation grew and prospered. We have also been researching different animals and used the information to write and information text. We hope to have a wonderful end to the year which may even include an outdoor performance with our ukuleles! Watch this space!

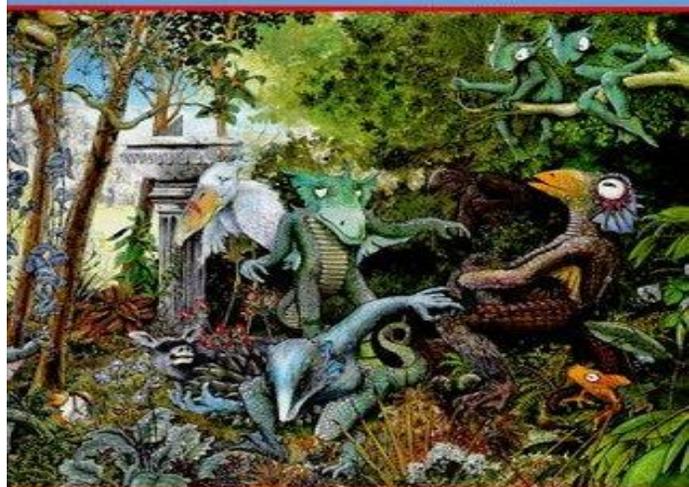

Treasure Island

In Treasure Island, we have started our new English unit based on the poem 'The Jabberwocky' so I apologise in advance if your children start speaking in nonsense words! Our History topic this half term is Ancient Greece, which ties in nicely with the upcoming Olympic Games in Japan; and the children are excited about taking part in some archery for their PE.

Come on England!

You can find magic wherever you look. Sit back and relax, all you need is a book.

- Dr. Seuss

Reading for a short time each night can have a huge impact on your child's vocabulary, comprehension and fluency. Please spend **at least 10 minutes** each day to read with your child so we can ensure every child achieves their full potential.
